

WHO'S ELIGIBLE FOR HEALTH INSURANCE SUBSIDIES*?

Eligibility for 2014 health insurance subsidies takes into consideration your...

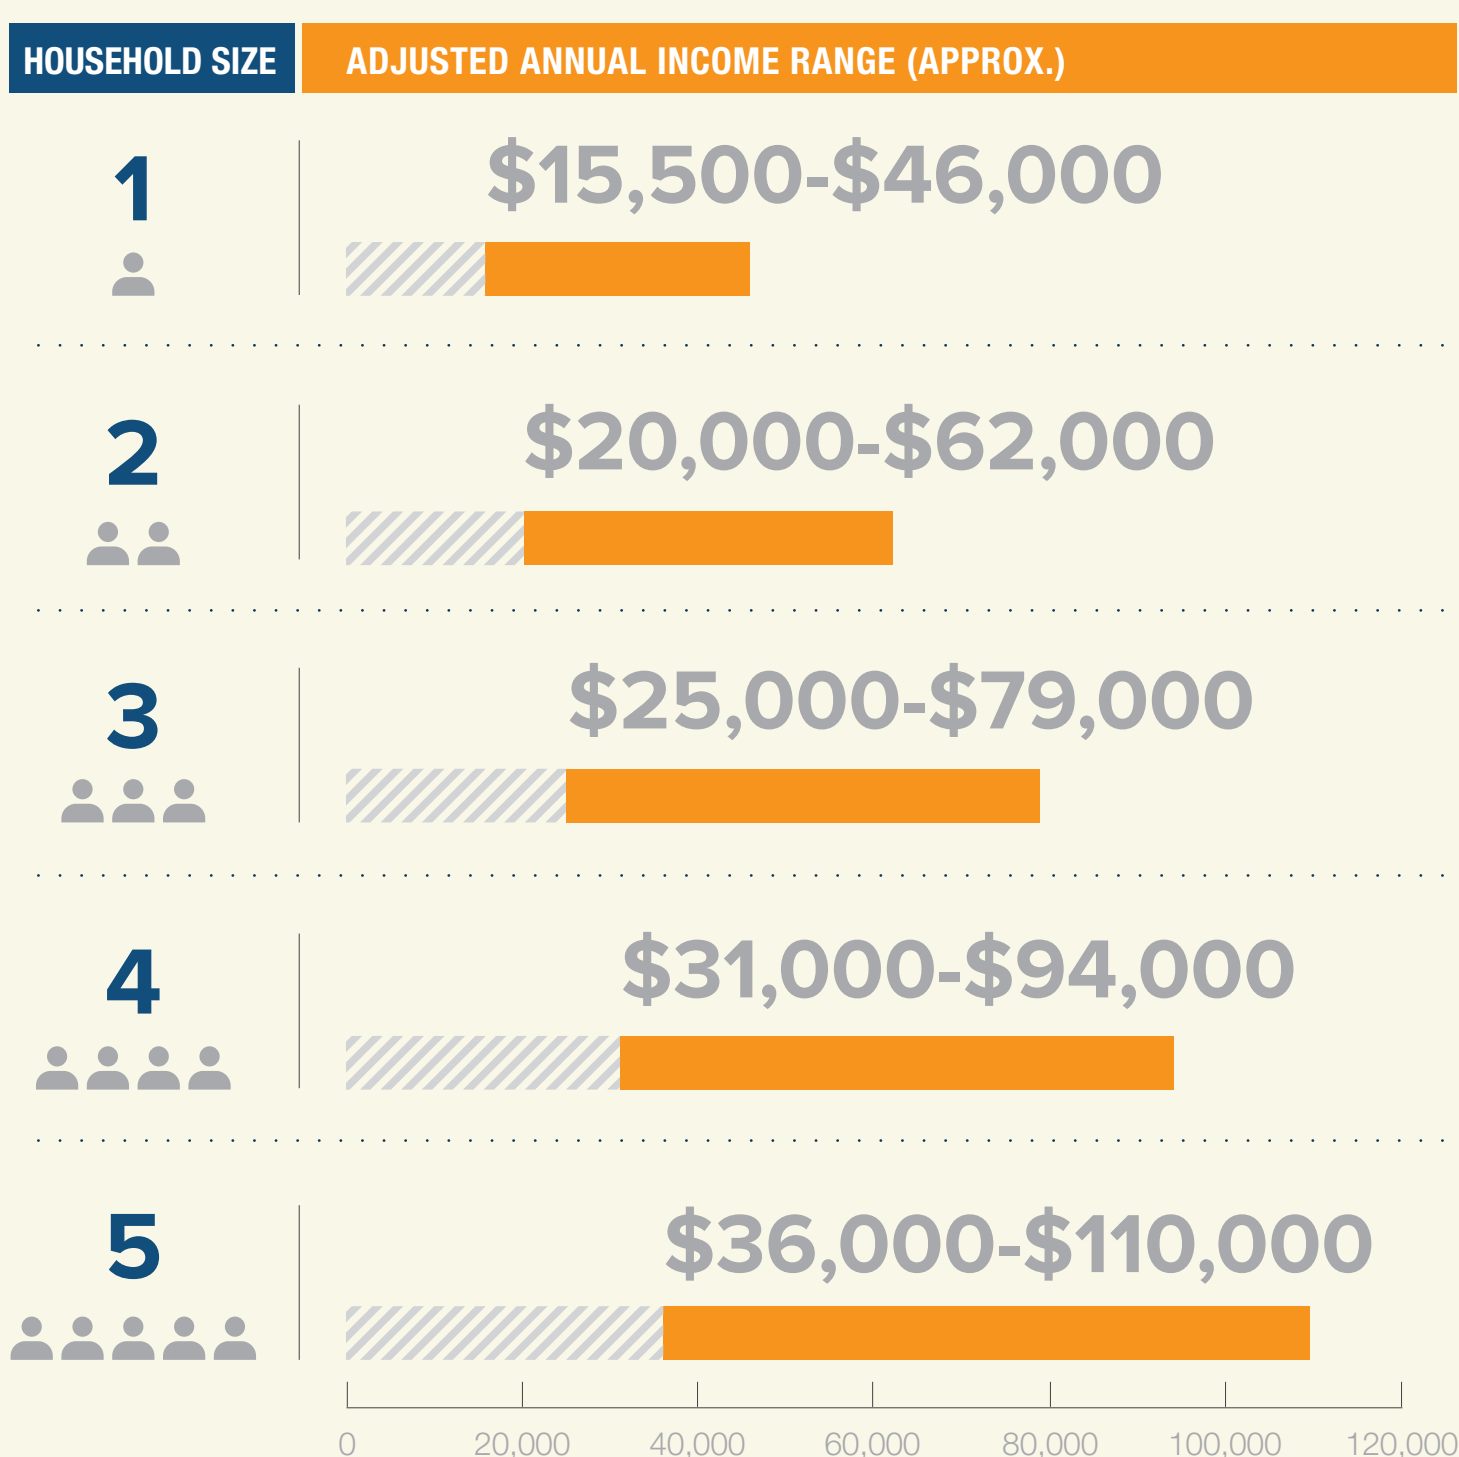

**HOUSEHOLD
SIZE**

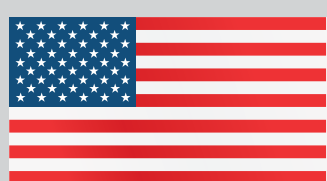

**ADJUSTED
ANNUAL INCOME
RANGE (APPROX.)**

If your household falls into these income ranges, you might be eligible for subsidies.

For each additional family member, add approximately \$4,000 to the low end and \$16,000 to top end of the scale.

Additionally, you must also:

Be a legal US resident

Not be incarcerated

Not have access to affordable minimum essential coverage (like employer-based insurance, or Medicare)

Note: your eligibility for a subsidy may change during the year and is subject to IRS review.

* Final determination of one's subsidy eligibility will be made upon enrollment by the governing body
